15.

The claimed invention is examined. Claims 1-18 and 21-24 are allowed.

Claims 19,20 and 25-32 are to be cancelled.

In the Claims:

Claims 19,20 and 25-32 withdrawn from further consideration pursuant to 37 CFR

1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in Paper No. 8.

Claims 19,20 and 25-32 are thus cancelled.

The following is an examiner's statement of reasons for allowance: The instant application has been examined. The claimed invention is deemed unobvious over the cited art of record because such art does not teach or reasonably suggest the overall aspects of a strengthening layer for composites comprising a resin to be formed by means of a vacuum technique, comprising a strengthening material in combination with a plurality of transport threads of substantially round and substantially form-retaining cross-section for guiding the resin therealong wherein said threads lie substantially in the direction of the resin transport. Additionally, the claimed invention is deemed unobvious for reasons as articulated by applicants as filed 1-29-2004, inter alia.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
